

2006 Member Recognition

We are deeply grateful to have this opportunity to recognize all those who contribute to make our efforts possible. The following lists were created to acknowledge how each of you has financially supported the NLRA during 2006, many through both Membership and Annual Fund gifts.

The NLRA still depends on regular donations to operate on a day-to-day basis, and will continue to do so in the foreseeable future. We look forward to working closely with you, our members to create programs that will meet our mutual goals of long-term protection of the Newfound area, and funding them in a responsible and sustainable fashion. The NLRA leadership is committed to a "legacy" approach for this organization so that your support will be a sound investment. Together, we can make positive, long-lasting contributions and a statement that says "we care, and we made a difference"!
